## Green Shores Criteria

Check all that apply:

- My property is located on a marine coast or lakeshore on ECVI or Gulf Islands
- I will allow SCBC to visit my property to conduct a shoreline assessment
- My property is experiencing some erosion and/or flooding along the shoreline
- The shoreline slope is gradual (less than a 12% grade or 6.25 degrees)
- The shoreline has an average fetch (distance over water undisturbed by land) of less than 20 – 25 metres
- The shoreline is made up of sand, marsh, or silt shoreline

## About Your Project

Tell us more about your shoreline and why you want to apply for a shoreline assessment:

Please email your completed application form to [info@stewardshipcentrebcc.ca](mailto:info@stewardshipcentrebcc.ca) with the subject line: **GSH Shoreline Assessment Form**
